E-COMP'S NO DEPOSIT WORKERS' COMPENSATION PROGRAM

Through a partner driven strategy, E-COMP is a leader in providing a single integrated pay-as-you-go Workers' Compensation solution to payroll providers, franchises and policyholders countrywide.

We leverage our unique technology to receive a company's payroll data to calculate the Workers' Compensation premium, eliminate the deposit and minimize the financial consequences of a Workers' Compensation final audit.

PROGRAM OVERVIEW:

When your company partners with E-COMP, we become your professional and knowledgeable insurance division at no cost to you. Your sales team will be trained to leverage E-COMP at their point of sale, with the help of their dedicated E-COMP Specialist. Your specialist will work on your team's behalf to ensure the proper placement of your clients' pay-as-you-go Workers' Compensation coverage.

E-COMP NOW!

Instant Insurance Quotes for America's Businesses. We've designed an online sales tool that allows your representatives to obtain instant insurance quotes and submit referrals in minutes. Process your broker of record and payroll company changes instantly when you need to move an existing pay-go policy from companies like ADP, Intuit QuickBooks, and Paychex.

E-COMP NOW! can be white-labeled for use by software companies and large payroll companies, making it easier than ever to obtain an instant quote in minutes.
